Element	Speaker		Slides	
	Grade	Possible	Grade	Possible
Introduction		5		5
Estimators		5		5
Simulation Study		10		10
Example		10		10
Conclusions		8		8
Total		38		38

In each of the identified sections of the presentation, evaluate the speaker and slides.

- Evaluation of the *speaker* reflects effective body language, eye contact, posture, movement, clear speech that is easy to understand, appropriate demeanor, and comfortably handled questions.
- Evaluation of the *slides* reflects clear presentation of important information, good use of graphics, appropriate level of detail, technical correctness, reasonable number of slides, and smooth transitions between slides.
